

2016 GARLIC MUSTARD PULL-A-THON

In partnership with the Southeast Wisconsin Invasive Species Consortium's (SEWISC), Riveredge will be conducting our annual Garlic Mustard Pull-A-Thon on Tuesday, May 17th. The pull-a-thon is a **competition**, a **fundraiser** to support invasive species education, and a way for people to join together and have a **positive impact on their environment** by pulling dame's rocket and/or garlic mustard from our natural areas.

With board and community contributions to this annual fundraiser, Riveredge has been able to raise over \$1,500 for invasive species awareness in just two years! Our goal this year is to raise **\$1,000** for this awesome initiative.

Thank you for supporting our Garlic Mustard Pull-A-Thon Event!

Your contribution is tax-deductible and all proceeds will be split by SEWISC and Riveredge for ongoing invasive species education, prevention and control in southeastern Wisconsin. SEWISC's traveling trophy and bragging rights will be awarded to the team with the most bags of pulled garlic mustard/dame's rocket by June 30, 2016.

Want to join in on the fun?

Join us for a morning with our land stewardship staff and volunteers, as well as other community members, as we fight the battle against these invasive invaders and keep Riveredge looking great!
